Mrs. Frenning

A warm smile and a tender heart—that is how the class of '73 has come to know you, Mrs. Frenning. Enthusiasm and optimism! You seemed to expect great things from us so we have come to expect great things from ourselves.

Whenever we have needed help or advice, you have been ready with encouragement and ideas. Behind every activity from the Freshman Dinner-Dance, to the Sophomore Movie Nights, to the Junior Prom, to the Senior Variety Show—you have been the motivating force. Thank you. You have been more than a class adviser. You have been our counselor and comforter and friend.

We dedicate our yearbook to you, Mrs. Frenning.

Mr. Ide

Two years ago you arrived at Weston High School. In those two years you have helped us and given us leadership. We found you, Mr. Ide. In your quiet way, you have shown us that organization and planning are a key to effectiveness. In the midst of your daily responsibilities as an administrator, you found time for us with our problems and requests.

Because of your help, we thank you and dedicate our yearbook to you, too, Mr. Ide.

THIRD ROW: Steve Nishino, Randy Derry, David Mollenkamp, John Nyhan, David Penfield, Kenny Gordon, Kerry Asquith. FOURTH ROW: Bill Nyhan, Brad Stark, Scott Hocking, Robbie Howland, Coach Gill.

The Weston High School indoor track team that almost did not run, because of school budget disputes, put together nearly the best record of all the winter sports this year. The coach, Mr. Gill, and over thirty athletes, including a new girls' division, worked hard together to produce a record of 6 and 1 to place the team second in the Dual County League. Weston later finished in the third position in the All Dual County League Meet. In almost all of the ten track and field events the upperclassmen supplied overall strength, while the freshmen and sophomores provided sound depth. This strong team, led by Senior Veterans Paul Davis, Rob Duncan, Buddy Jackson, Dave MacRae, Dave O'Connor, Tom Phillips, Chris Queen, and Tim Scott, spearheaded the victory over the class "D" schools in Mass. in the State Meet. For the first time a Weston track team holds the honor of a class champion. During that meet two events were won by Weston with Tim Scott in the High Jump and Dave O'Connor in the 600. Chris Queen gained second in the shot-put while the relay team took third place. With up and coming underclassmen Weston should have a fine future.

Raytheon: The household word you never hear.

In the kitchen, we're better known by the companies we keep.

Our subsidiaries, Amana and Caloric, specialize in products that make life more comfortable, more convenient.

For instance, Amana Radarange® microwave ovens that dramatically cut cooking times. Freezers and refrigerators you never have to defrost. Step-saving trash compactors. Caloric ranges with self-cleaning ovens.

And throughout the home, Amana air conditioners quietly create the perfect climate for comfort.

Quality products from quality companies. Raytheon companies.
